ABOUT

At ALPS, you can learn English quickly in friendly and professional small group and private classes. Group classes have a maximum of 8 students, and you have the option of a daily private lesson.

We have classes for both Spoken English and Academic English. You can choose the classes that match your goals in English.

ALPS is located in Seattle, an exciting city in the Pacific Northwest of the U.S. Our activity program helps you enjoy your time here, and our English Only policy gives you the opportunity to practice your skills outside class.

At ALPS, we truly care about our students and will strive to help you meet your personal, academic, and career goals.

Director’s Reflection on 25 Years

ALPS was formed 25 years ago when a group of teachers came together to offer a unique, personalized approach to teaching English. We started small, and have stayed small – by choice. Our combination of small group classes and private lessons have helped a diverse range of students from around the globe to achieve a wide variety of goals.

Many successful university and graduate students got their foundation in English at ALPS. Professionals who needed personalized classes perfected their skills here. New arrivals to Seattle and travelers passing through joined us to hone the English skills they needed to survive and thrive in America.

It has been a pleasure and privilege getting to know so many students and teachers over the years. So many lifelong friendships, and even some marriages, have begun here in the school. During our 25th Anniversary year, we hope to reconnect with past students, teachers, and staff members, and share some of their stories. Looking to the future, we still strongly believe in the advantages that our combination of small group classes and private lessons offer our students.

With continual improvements and new class options to embrace the opportunities that Seattle’s booming economy offers, we are excited for the future.

7 REASONS TO CHOOSE SEATTLE

Seattle is the largest city in the Pacific Northwest region of North America. The city is situated on the Puget Sound, an inlet of the Pacific Ocean, about 100 miles south of the Canadian-U.S. Border, and is the fastest-growing major U.S. City.

1. Big city atmosphere

Seattle is famous for street cafes, innovative music, lively night life and national sports teams:

- Seattle Mariners (Major League Baseball)
- Seattle Seahawks (Major League Football)
- Seattle Sounders (Major League Soccer)
- Seattle Opera
- Seattle Symphony
- Excellent Museums
- Amazon, Microsoft and Starbucks headquarters

2. Small-town safety and friendliness

The number one reason that many students choose to study in Seattle is our city's reputation for safety and friendliness

3. Great climate

Seattle is a northern city like New York or Chicago, but we are near the ocean, so winters are warmer (it rarely snows in the city), and summers are more comfortable (not too hot and not too humid).

4. Amazing natural beauty

Seattle is close to the mountains and near the ocean. Green trees and blue lakes are everywhere. Students can hike, ski, go boating, go to the beach, and enjoy many outdoor activities in and around the city.

ALPS Language School – 2018 Program Information

5. Excellent Colleges and Universities

If you are studying English to enter a college, university, or get an MBA or other advanced degree in the U.S., Seattle has many excellent academic institutions. ALPS is minutes away from Seattle University, University of Washington, and Seattle Community College.

[Click for Interactive map](#)

6. Convenient public transport

Seattle public transport system is a cost-effective way to travel around the city. ALPS is located a 20 minute walk away from downtown Seattle and Amazon's HQ. We are only a 5 minute walk away from the Capitol Hill Link Light Rail Station, which links the University District to downtown, the International District, and SeaTac Airport.

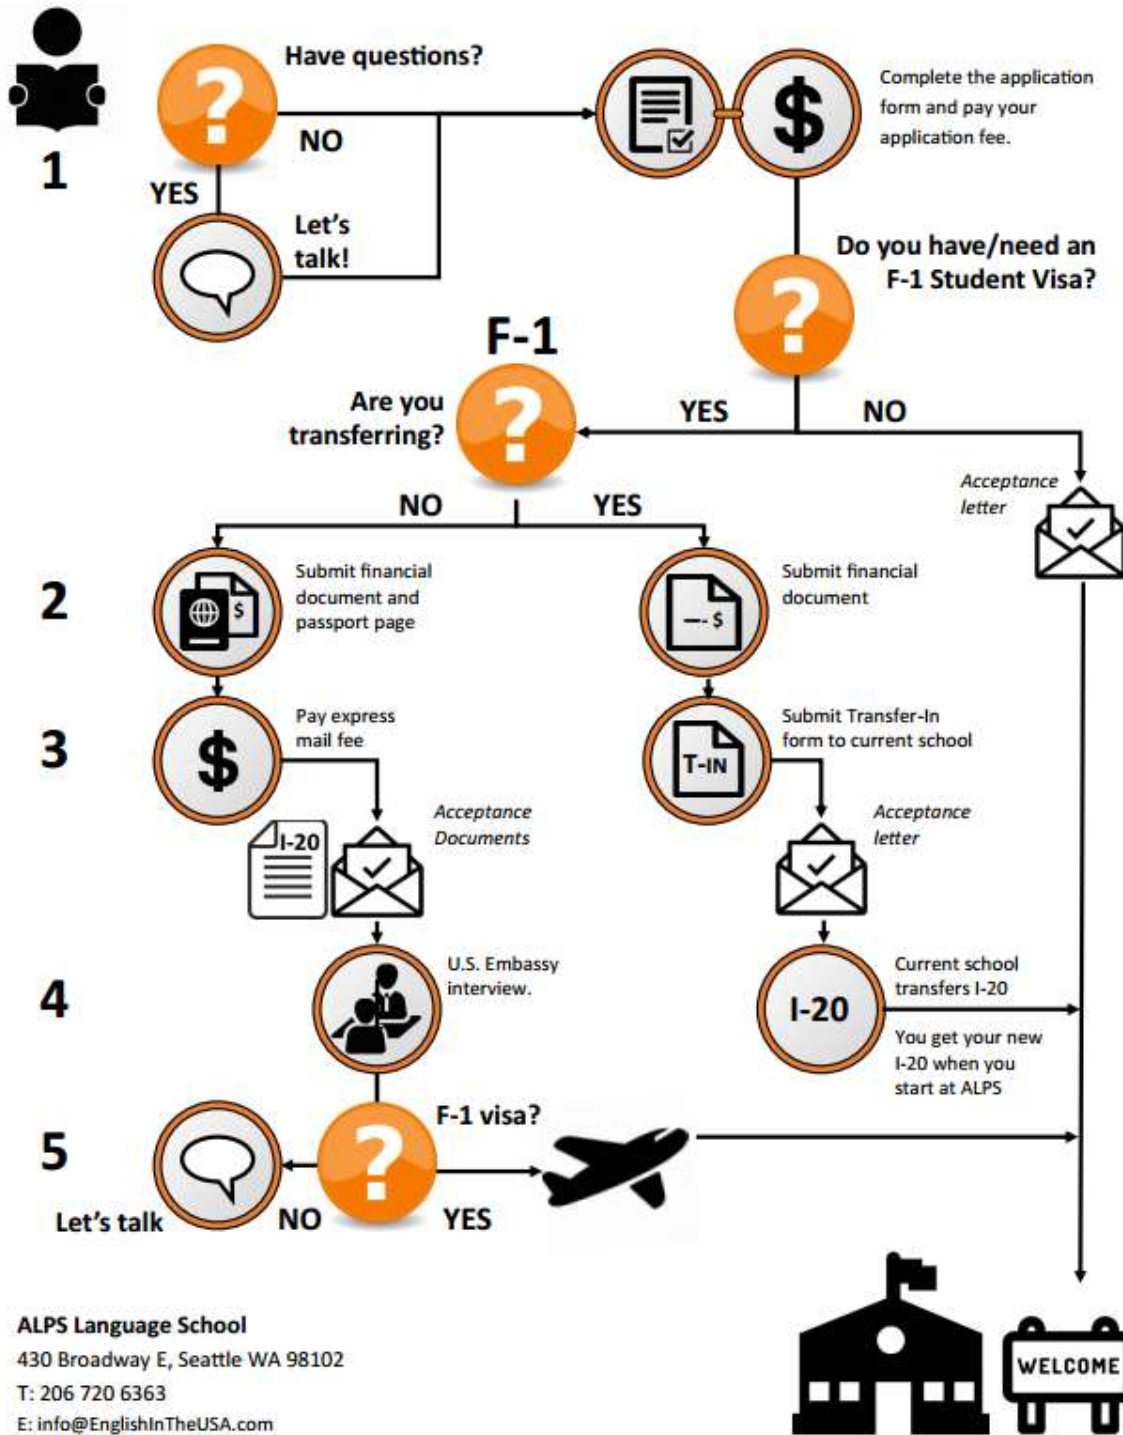

7. ALPS is based in Seattle

Our unique system of teaching English brings students from many different countries. We offer you the opportunity to immerse yourself in English, and experience our local culture.
